HEALTHCARE

Laughter Is the Best Medicine

This keynote perfect prescription to inspire a group of health care workers. A popular comedienne and motivational speaker she is the perfect balance of wit and wisdom to help attendees take care of themselves and get their sense of humour back

A regular on CBC Radio (The Debaters, DNT0 and LOL) she has a decade of experience speaking to medical, palliative and hospice organizations. The co-creator of the [Hope For Today Cafe podcasts](#) that help people who are ill and their caregivers listen to each other, she also has produced a compassionate care video called "Walk a mile in My Backless Gown".
