Equity, Diversity, & Inclusion

Your team & clients will benefit from challenging the status quo when it comes to issues of race and gender inequality. From improving workplace diversity, to the inclusion of Indigenous and marginalized peoples, to standing with Black Lives Matter and becoming an effective ally, these speakers with lived experience can help.

KIM KATRIN

Equity Practices Consultant

She's co-founder of the People Project & an activist for justice and inclusion. By focusing on small meaningful actions and choices, she makes creating large scale change accessible.
